

2017 HondaJet HA-420

**Serial Number 42000046
N612PR**

AIRFRAME: 390 Total Time Since New

ENGINES: 390/390 Total Time Since New – EMC Program

AVIONICS: GARMIN G3000 INTEGRATED ALL-GLASS SYSTEM

Flight instruments, Navigation, communication, lighting controls, traffic, terrain, weather, aircraft systems status and alerting, checklists and other functions. Primary Flight Displays (PFDs) present flight instrument data and pilot-selectable information in a 40:60 ratio split screen. Touchscreen controllers provide the primary point of access for the majority of all avionics data inputs and selection. The integrated avionics provides for enhanced situational awareness, functionality, ease of operation, and redundancy. Included in the G3000: Electronic Flight Instrument System (EFIS), Primary Flight Display (PFD) (2), Multi-Function Display (MFD), Garmin GTC 570 Touchscreen Controller, Engine Indicating System (EIS) and Aircraft Systems Indication, Air Data System and Attitude Information, Radio Communication System, Audio System, Global Positioning System (GPS), Flight Management System (FMS), Automatic Flight Control System (AFCS), Garmin GTX 33D ES Transponder with ADS-B In & Out, Traffic Collision Avoidance System (TCAS I), Terrain Awareness & Warning System (TAWS-B), Weather Radar System, Electronic Standby Instrument, Emergency Locator Transmitter (ELT), Garmin FliteCharts & SafeTaxi, and Maintenance Diagnostics.

OPTIONAL EQUIPMENT:

Cockpit Crew Seats – Leather Upgrade	Speed Brake
<u>Cabin:</u>
