2008 Citation Mustang S/N 510-0120

2008 Citation Mustang S/N 510-0120

N72DA

AIRFRAME TOTAL TIME: 2539 Hours
LANDINGS: 2143 Cycles

ENGINES: Pratt & Whitney PW615F
Program: PowerAdvantage Plus

| | | |
|-----------|--------------|-------------|
| Engine 1: | 2489.2 Hours | 2076 Cycles |
| Engine 2: | 2445.0 Hours | 2048 Cycles |

FEATURES:

- ADS-B Out
- Engines on PowerAdvantage+
- Excellent Maintenance and ownership history

INTERIOR:

Four plus one (copilot seat) passenger configuration with seats finished in the Bronze factory option. RH Forward refreshment center. LH & RH Executive Tables. Right Side Toilet across from the cabin door. New Carpet installed 10/2016, Sheep Skin inserts on the cockpit seats and grose point floor coverings in the aft and forward baggage replaced 11/2013. Remaining interior is original and in excellent condition.

EXTERIOR:

Since 2008, Duncan Aviation has turned heads with this pale plaid paint scheme that mixes light shades of orange and yellow. The plaid design creates dissonance with the light colors and provides an eye-catching yet tasteful design that breaks away from the typical Matterhorn White base with stripes. With excellent care and maintenance, and periodic paint touch-up as needed, the paint remains in excellent condition.

Note - owner will retain current "N" number

2008 Citation Mustang S/N 510-0120

Duncan Aviation

Duncan Aviation was founded in 1956 as an aircraft sales organization and is a founding member of IADA. Since 1956, we have conducted more than 3,500 transactions. We have 2,150 aviation experts worldwide, each with an average of 12 years with the company. The aircraft sales team partners with these experts to provide technical support before, during and after the aircraft transaction.

Duncan Aviation is the world's largest privately owned business jet support facility. We provide business aircraft operators with every aircraft service they need. Yet we do so with the friendliness and responsiveness of a small-town company.

Our people have a passion for aviation and for serving customers. They are among the most experienced in the industry and the quality of the service they provide is among the best in the world.

Customers often visit our major MRO facilities in Battle Creek, Michigan; Lincoln, Nebraska; and Provo, Utah, and are surprised at our vast array of services, our innovative solutions and our excellent customer service.

We provide aircraft acquisition & sales, airframe & engine maintenance, avionics installations, interior & paint completions/modifications, avionics/instrument/accessory repairs & overhauls and parts support for Bombardier, Dassault, Textron, Gulfstream and Embraer manufactured aircraft. Our 20+ avionics satellites and 16 engine Rapid Response offices provide avionics and engine services in the field for scheduled and AOG work. And our parts team provides 24/7/365 support worldwide with knowledgeable reps who answer the phone day or night.
