## INTERIOR

The cabin is configured for 14 passengers. Entering the aircraft immediately aft of the main entry door is a left hand crew refreshment and storage cabinet, large storage closet and forward crew lavatory with fold down sink and vacuum toilet that opposes a single seat crew rest on the right hand side. Moving into the main cabin is a four (4) place club followed by a left hand two (2) place club across from a right hand four (4) place divan. All single seats are fully articulating and berthable. Continuing aft is a left hand four (4) place conference/dining group that immediately opposes a right hand credenza with 19" LCD monitor. Moving aft through the pneumatic pocket door is the main galley on the left and right hand sides that includes dual TIA coffee makers, microwave, glassware, double sink with covers, flatware and china storage, high temp oven, trash container, glass and crystal display storage, dual ice drawers, and 110 VAC outlet. Further aft is a full service lavatory with vacuum toilet on the right hand side followed by the baggage compartment.

The woodwork is a light stain quarter sawn hardwood with high gloss clear finish and all cabin single seats are covered in wheat colored leather with burgundy trim accents. The divan is covered in gold/tan solid designer fabric. All plating throughout the aircraft is satin gold. All of the carpet is tan with burgundy hi density loop wool with random rectangle patterns. The window reveals are light beige textured fabric and the PSU's/headliner are Ivory Ultraleather. The dado panels are covered in light beige fabric.
