About Hatt & Associates:

As an independent global aircraft sales company, Hatt & Associates Aviation is experienced in the global jet marketplace. Our high-level experience with OEMs, FBOs, and fractional companies, as well as suppliers, allows us to support our customers through every step of the journey to aircraft ownership.

The executives at Hatt & Associates Aviation have an unprecedented level of experience in buying, selling, leasing and operating aircraft. And we understand the current and future value of your aircraft, so we can help you make the best choices to meet your needs. At Hatt & Associates, we work with some of the biggest names in aviation, and we've established the network and knowledge to help seal the deal.
