EXTERIOR

Overall Snow White with Arc Blue Metallic and Amazon Blue Pearl accent stripes. New paint completed by Cessna Wichita in August 2020.

INTERIOR

Nine-passenger interior configured in a double club arrangement and a belted lavatory seat with a forward left-hand closet opposite a large forward right-hand galley. All club seats are berthable featuring 360-degree swivel capability. Passenger seating is completed in Beige leather and complemented with a light Beige Ultraleather headliner, PSU, and upper sidewalls. The lower sidewall fabric is a small geometric pattern of Gray and Navy Blue, and carpet is a Gray Berber with flicks of Black and White. Window shades are pleated fabric and electrically operated. The aft cabin bulkhead is accentuated with a bronze mirror. Metal surfaces throughout the cabin are finished in brushed aluminum with a clear coat. All cabinetry is Birdseye Maple wood veneer in a hi-gloss finish.

ENTERTAINMENT

Cabin entertainment system includes a dual DVD player with three Rosen 7" sidewall flush mounted monitors and a 10.4" LCD video monitor located on the left-hand forward bulkhead. 110VAC cabin outlets include two in the main cabin, two in the cockpit, and one in the lavatory. Data and communications include Aircell Gogo AVANCE L5 4G Wi-Fi and Aircell Axxess II phone system with one handset in the cockpit and two handsets in the cabin. An Airshow 4000 system includes a cockpit controller with cabin audio briefing, which provides passengers with aircraft position and information data on all the monitors.
