Matterport™

Meisner Aircraft's Aviation Legacy began in 1922 when Edward C. Meisner started working for National Air Transport; a company that in 1931 would become known as United Air Lines, Inc. A Wisconsin-based firm consistently ranked in the top 5 inventorying dealers in the world for transactions, the Meisner family is now enjoying its 4th generation of aviation professionals. Well-respected since its 1979 inception, Meisner Aircraft is known for its ability to internally facilitate trade-in deals for its customers and fellow dealers worldwide.
